

# Biomes Topic Guide – 5<sup>th</sup> Grade

**Guide URL:**

<https://wke.lt/w/s/S15VYB>

**Created by Tami Fisher:**

Reading Specialist, McVey Elementary School

**Learning Objective:**

Students will research and identify characteristics of a specific Earth biome of their choice through report writing.

**Next Generation Science Standards Addressed:**

5-ESS2-1: Develop a model using an example to describe ways the geosphere, biosphere, hydrosphere, and/or atmosphere interact.

5- ESS2.A: Earth Materials and Systems

**American Association of School Librarians (AASL) Learner Competencies Addressed:**

AASL 4B1: Learners gather information appropriate to the task by seeking a variety of sources.

AASL 5A1: Learners develop and satisfy personal curiosity by reading widely and deeply in multiple formats and write and create for a variety of purposes.

AASL 1B3: Learners engage with new knowledge by following a process that includes generating products that illustrate learning.
