Created by Amy Weiler:

Library Media Specialist, Milford District Office

Learning Objective:

Students will research the reason why we have seasons as well as the weather during these seasons in the Northern Hemisphere.

Next Generation Science Standard Addressed:

3-ESS2-1, represent data in tables and graphical displays to describe typical weather conditions expected during a particular season.

American Association of School Librarians (AASL) Learner Competencies Addressed:

AASL I.B.1. Learners engage with new knowledge by following a process that includes using evidence to investigate questions.

AASL I.D.2. Learners participate in an ongoing inquiry-based process by engaging in sustained inquiry.

AASL IV.A.3. Learners act on an information need by making critical choices about information sources to use.

AASL VI.A.1. Learners follow ethical and legal guidelines for gathering and using information by responsibly applying information, technology, and media to learning.
