SEARCHING CONTENT

Basic Search

Locate relevant results based on your search term(s). Basic search is a good place to start your research.

Advanced Search

Customize your search with more limiting options to target relevant results. You can use advanced search to run complex searches for specific results, or to perform open searches for a broad view of available content.

- **Subject:** Choose this field to search document tags and find results fully focused on your topic. Try subject if your basic search produces too many results.
- **Publication Title:** Use this option to find articles or documents from a particular publication like *USA Today*.
- **Entire Document:** Pick this field to search within the entire text of documents. This option performs a broad search for any inclusion of your terms, so you can find precise phrases within results, or locate articles that mention specific individuals.
- **Search Operators:** Use these drop-downs to connect your search terms. **AND** ensures your results include both terms. **OR** broadens your search to results mentioning either term. **NOT** excludes a term.

The screenshot shows the 'Advanced Search' page of the Gale In Context Biography database. At the top, there's a navigation bar with 'GALE IN CONTEXT Biography' and a search bar. Below the navigation bar, there are tabs for 'Advanced Search', 'Person Search', 'Publication Search', and 'Topic Finder'. The 'Advanced Search' tab is selected. The main area contains a 'Search for' field with a dropdown menu set to 'Keyword'. Below this, there are two 'And' dropdown menus, each with a field and a dropdown menu set to 'Keyword'. There is an 'Add a Row' button and a 'Search' button. Below the search fields, there are 'MORE OPTIONS' including checkboxes for 'Full Text Documents', 'Peer-Reviewed Journals', and 'Document Contains Images'. There are also sections for 'by publication date(s)', 'by document type', 'by content type', 'by content level', and 'by Lexile measure', each with a dropdown menu.

Person Search

Specify characteristics like occupation, nationality, and gender, or enter a name to generate a list of matching figures covered within *Biography*. This is a great way to discover individuals and identify topics for further research.

BROWSING CONTENT

Topic Pages

Access a one-stop portal of information focused on frequently studied subjects. Topic pages begin with a biographical overview and quick facts to build your familiarity with a person. Additional content is organized, so that you can easily continue exploring.

- **Featured Content** is hand-selected by Gale's expert editorial team. Use these results to understand the broad context of individuals' lives and impact.
- **Biographies** further build your background knowledge of a figure.
- **Videos, Images, and Audio** provide engaging coverage of individuals, and are perfect for use in projects and presentations.
- **Magazines and News** articles from premium international sources present recent and popular depictions with new results added every day.
- **Academic Journals** deliver advanced analysis of a person's work, life, and professional impact from scholarly and peer-reviewed publications.
- **Primary Sources, Websites**, and other results enhance your understanding of interesting people.

The screenshot shows the 'Mae Jemison' topic page. At the top, there's a navigation bar with 'GALE IN CONTEXT Biography' and a search bar. Below the navigation bar, there are tabs for 'Home', 'Mae Jemison', and 'Advanced Search'. The 'Mae Jemison' tab is selected. The main area contains a 'QUICK FACTS' section with a table of information about Mae Jemison, including her birth date, nationality, occupation, and other roles. Below this, there's a 'Read more' button. The page also features a 'ON THIS PAGE' section with links to 'Featured Content (3)', 'Biographies (25)', 'Images (5)', 'Websites (1)', 'Videos (2)', and 'Magazines (15)'. There is a 'SEARCH WITHIN RESULTS' section with a search bar. Below this, there are two sections: 'FEATURED CONTENT (3)' and 'BIOGRAPHIES (25)'. The 'FEATURED CONTENT' section shows a result titled 'Reaching for the stars: first woman astronaut of color seeks inclusion in space and in the classroom' by Dorothy Givens Terry. The 'BIOGRAPHIES' section shows a result titled 'Mae Carol Jemison' from 'Who's Who Among African Americans'.
