

WORLD BOOK ONLINE

ACCESS A WORLD OF INFORMATION AT YOUR FINGERTIPS

**From pre-K to high school
and beyond, we have
databases for every
learner at every level.**

World Book Online hosts thousands of articles, as well as hundreds of maps, videos, and other media for an immersive learning experience.

Teacher resources, curriculum correlations, learning standards, and other useful tools for educators are included across all databases.

WORLD BOOK ONLINE

Ages 6-10

WORLD BOOK KIDS

A visually stunning resource with intuitive iconography, *World Book Kids* provides thousands of easy-to-read articles with embedded multimedia for increased comprehension. Includes fantastic age-appropriate resources, such as Important People, Science Projects, Webquests, and games.

Ages 10-14

WORLD BOOK STUDENT

World Book Student is packed with such research tools as Citation Builder, How to Do Research, Compare Places, Interactive Maps, and the World Book Atlas to help students get the most out of their research experience. World Book editors more fully explain current events in Behind the Headlines, which includes quizzes and lesson plans.

Recommended for ages 12+

WORLD BOOK DISCOVER

World Book Discover offers compelling resources specifically developed for students reading below grade level due to language or learning difficulties. This collection includes reference articles, text-to-speech capabilities, research tools, and interactive videos.

Ages 14 and up

WORLD BOOK ADVANCED

A powerful reference tool that includes all the same effective research tools as *World Book Student*, plus provides users with access to primary sources, historical documents, and multimedia directly from each encyclopedia article.

Access Provided by UDLib/SEARCH

Personalize your reading experience with key features and the ability to save to your bookshelf.

Save articles from *World Book Kids* to reference later

- Go to any *World Book Kids* article and select the tools icon in the top right corner
- Select download and open the downloaded PDF in your preferred reader

Using Citation Builder in *World Book Student* or *World Book Advanced*

- Select Citation Builder from the homepage
- Select the type of citation you want to build (e.g., book, article, video, etc.)
- Complete the requested fields as best you can, then choose Create Citation
- Download, email, or print the citation that is created in MLA, APA, and Harvard for your use

Download the World Book eBooks App

Depending on the device, visit the Google Play for Android products or the App Store.

- 1 Search: World Book eBooks.
- 2 Select the app; the icon will look like this:
- 3 When the download is complete, open the app by selecting it from the home screen.
- 4 Create a username and password or log in using an existing eBooks username and password.
- 5 Begin downloading great books and enjoy reading.

Using My Research in *World Book Student* or *World Book Advanced*

- You will need to log in to an existing My Research account or create a new My Research account
- Once you have logged in, users can save any World Book article or media to a My Research project. To do so:
 - > Select Tools
 - > Choose Save, then use the drop-down menu to save to an existing My Research Project or save to a new project
- Add websites to your list of resources to keep all of your reference materials in one place
- You can delete or annotate any entries you include under a project
- You can toggle between projects by selecting Switch Projects
- Rename, delete, or create projects using the icons across the top

Using Pathfinders in *World Book Advanced*

- Navigate to the project you would like to share and choose "Create Pathfinder"
- Select if you would like the Pathfinder to be shared and optionally sign your Pathfinder with your name and grade level

Add books to a bookshelf

- 1 Log in to World Book Online via a mobile browser.
- 2 On the World Book eBooks site, log in to an eBooks account.
- 3 Select the book to use.
- 4 Select the download button.
- 5 In the World Book eBooks app, the title will appear on a bookshelf.
- 6 The 21-day borrowing period starts; any highlights and notes will be saved in the app, so no work is lost when the borrowing period ends.
